-Scientists say that four million webs spun by young spiders would not form a strand as great in diameter as a hair from the human head.

-Coal tar yields sixteen shales of blue, the same number of yellow tints, of Gladeville, Wise county, Virginia, purtwelve of orange, nine of violet and suant to a decree heretofore entered in bonds of matrimoni between the plaintiff numerous other colors and shades.

in the United States; in 1800 there were 4,504,641. In 1880, the improved acres were 284,771,042; in 1890 they amounted isting to 357,616,755.

-The director of the mint estimates the value of the world's output of gold | 0:25 44-47 in 1893 at \$155,522,000. He believes the output of 1894 and 1895 will amount. respectively, to \$168,209,003 and \$183,-

-In Australia women are generally the 26th day of October, 1894. employed as railway station agents. In many of the small stations a woman is in sole control, being ticket seller, telegraph operator and baggage mistress. They receive about fifty cents a

-In 1893, there were brought to this country diamonds of the value of \$14,-620,660. The diamond-entters of the United States are ranked among the Stone Gap Improvement Company and R best in the world. The first cutting machine was invented here, in 1872. -The great pitch lake of Trinidad

covers ninety-nine acres and contains millions of tons of so-called pitch. This is in reality a mixture of asphalt and oil, which is continually oozing up through cracks and crevices beneath the pressure of the strata of rock above.

-- Water at high temperature cannot be raised any considerable distance by suction, as the vapor discharged from the water so heated follows the rethe entrance of the water; consequently, to pump hot water always place the supply above the pump, so that it will be supplied from a head.

-M. Louis Boutan has succeeded in taking some beautiful photographs of the bottom of the sea by the aid of a newly-invented lamp for burning magnesium powder under the water. He first descends to the bottom and selects his views, next has his apparatus lowered to him, then arranges the same for several flashes, enabling him to take as many successive pictures.

-The toad is a higher animal than the frog, because it gives birth to'little air-breathing toads, whereas the frog lays eggs that produce fish-like tadpoles. But the frog is in certain respects the most wonderful creature in the world. Think of the vegetableeating fish with gills that turns into an air-breathing land animal, developing teeth and becoming a carnivorous quadruped. That is the life history of and the costs of this suif, and to enforce county after the date of this order.

-Snakes have their usefulness in the world. They are scavengers of swamps and morasses where other animals of size are unable to penetrate or that serpents chiefly abound. All snakes are of tropical origin, but some snakes are of tropical origin, but some | No. 1," of Big Stone Gap, Wise county, Herbert, and La Grange Butter Tub Comspecies have spread into cooler lati- Va., and affidavit having been made pany, a corporation organized and exist- deceased, parties defendant in this suit instituted a suit in chancery in the city tudes. TILLAGE IN CHINA.

Farming Is Very Primitive and Makes

Poor Returns. Apart from the "Yellow Lands" of the Hoang-ho, which need no manure, the arable regions of China seem to have maintained their feeundity for over four thousand years, entirely circuit court for the county of Wise on through the thoughtful care of the the 20th day of October, 1894. peasantry in restoring to the soil, under another form, all that the crops have taken from it. The plowing of the Chinese is very poor. They scarcely do more than scratch the surface of the ground with their bent-stick plows, wooden-tooth drills and wicker-work harrows; and instead of straight lines, so dear to the eye of the western farmer, the ridges and furrows are as form Big Stone Gap Improvement Comcrooked as serpents. The real secret of their success seems to lie in the care and 7 of block 48, "Improvement Co's they take to replenish the soil. All Plat No. 1," of the town of Big Stone Gap, the sewage of the towns is carried out every morning at daybreak by special coolies, to be preserved for manure; while the dry herbs, straw, roots and other vegetable refuse, are economized with the greatest care for fuel. The Chinese peasant offsets the rudeskill. He weeds the ground so care- ests. And it is ordered that a copy of the circuit court of Wise county the 22nd of this order be forthwith published once fully that there is scarcely a leaf above this order be forthwith published, once a day of October, 1894, 4 o'clock p. m., in a week for four successive weeks the ground that does not apper that to week, for four successive weeks, in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed in the town of Big Stone Cap Post, a newspaphr printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from an affidavit filed in the paper printed It appearing from a new paper printed It appearing from a new paper printed It the hand, animals, or the wind. The county of Wise, State of Virginia, and and H M Herbert et al, defend-ginia, and posted at the front door of the system of tillage, therefore, resembles market-gardening rather than the broad method of cultivation common in Europe and America. The land is too valuable to be devoted to pasture, and the forests nearly everywhere have been sacrificed to tillage to such an extent that the material for the enormously thick native coffins has now to be imported from abroad. -Century.

POST OFFICE, (East Fifth Street,) W. C. ROBINSON, Postmaster.

General delivery open, week days only, from 8 a.m. to 8.30 p. m. Moncy Order Department open from 8 a.m. to 6 p. m. In Chancery. Mail for North and East, cia. L. & N., closes 8, 15 p.m. " " South, via. S. A. & O., Express Peach for Bristol, Tenu., for closing, as stated above.

To insure prompt dispatch of mail matter it should be deposited in post office letter box before the time. SUGGESTIONS TO THE PUBLIC. |From U. S. Official Guide. | 1.- Address all mail matter legibly and fully. Give name of post office and State in full, street and house number. If the office be a small one; add the name of the control

4 .- Do not use thin envelopes. Stamped envelopes 5.—Register all valuable letters.
6.—Send money by Money Order 7.—Affix stamps securely on the upper right-hand

corner.
S.—Do not tender for postage stamps money so mutilated as to be uncurrent, or more than twenty-five cents in copper or nickel coins.
9.—Do not ask the postmaster or clerk to asix stamps for yet.

10.—Do not ask credit for postage stamps or money

delivered.

The Post Office Department deems it quite import ant that all the patrons of post offices should supply themselves with Monthly Postal Guide. It would be to their interest and business advantage, as well as Lastly to the interest of the postal service, since it would bring about more accurate knowledge of the requirements of that service, would reduce the amount of the contract of the cont

of mail matter improperly addressed, poorly wrapped, of insufficiently stamped, and would largely diminish the number of letters and packages, going to the Dead J. F. AMBURGY, Ass't P. M. Joetter Office. ARRIVAL AND DEPARTURE OF
